Subject: B21-02 PFAS Oily Matrices Method Validation PAC - COMPLETED
Attachments: B21-02 2021-04 Method Validation Summary 210615.pdf; B21-02 PAC for oil matrice method validation QAO 2106151816.pdf; B21-02 PFAS Extraction and Analysis from Oily Matrices 210614-2106151823.pdf

The current status for the QA Review of this project is :

COMPLETED

Paul

I will return the project folder to Yan, hopefully tomorrow when I see her.

I recommend that when distributing any copy of our Oily Matrices method to attach a copy of our Validation Summary.
(also attached)

Paul
